Directions:

Write a `for...of` loop that:

- loops through each day in the `days` array
- capitalizes the first letter of the day
- and prints the day out to the console

Your code should log the following to the console:

> *Sunday*
>
> *Monday*
>
> *Tuesday*
>
> *Wednesday*
>
> *Thursday*
>
> *Friday*
>
> *Saturday*

Your Code:

```

 4
 5  const days = ['sunday', 'monday', 'tuesday', 'wednesday', 'thursday', 'friday', 's
 6
 7  // your code goes here
 8  for (const day of days) {
 9    var upperDay = day.charAt(0).toUpperCase() + day.slice(1);
10    console.log(upperDay);
11  }
```
